

# Terms & Conditions of Purchase

So this is where the legal mumble jumble goes, which is usually a million pages long that nobody reads. Here's the jist: I am wholeheartedly committed to you. I want you to have the life and relationship you desire and deserve.

**In return, I want you to commit to yourself and to the future you see for yourself.**

If you sincerely follow the steps outlined in this program you will experience amazing transformation, but I want you to be serious enough to see this program all the way through. Because you're worth putting this time and love back into glorious amazing you. And, through this program, I will be with you every step of the way.

**I'd also like you to make a commitment to me.**

- 1) You are purchasing access for one (1) person to the Happy Badass in Love Program. It's important the program just be between you and me.
- 2) You're at least 13 years old and if you're younger than the majority you have a parent or legal guardian review this agreement with you.
- 3) You agree that the Happy Badass in Love Product contains proprietary Content that is owned by me, Corie Hurst and/or its licensors and is protected by copyright, trademark and other applicable intellectual property laws. Duplicating, sharing or uploading Product files to sharing sites is considered stealing, and well, that's just not cool. We want to raise our overall vibration to love here. In short, please just ask first.

**Before you purchase this program, there are a few things you should know.**

- 1) I don't store your password or your credit card information.
- 2) I cuss, a little bit, and only to make a point.
- 3) I hope you enjoy listening to me because I have a few speech quirks. For instance when I talk about the Yin and Yang principles, I say, "Yang" like how it's spelled, not like Gong, but with a Y, which is the correct pronunciation. Anyway, if you're picky about stuff like that than this program might not be for you. However, all the videos have transcripts you can review, especially if you might have missed something important.
- 4) I mention Gary Young, the founder of Young Living, in the present tense. Sadly, he passed away a month after filming. (Please note: within this program I do NOT try to

sell you on anything. I share with you only what has enhanced my health and life in hopes it might help you too. That is all.)

5) There is slight aviation noise in the background of the videos because I live under a flight path. Don't worry! You can still clearly hear my voice. I just want you to know it's me, not you (unless you live under a flight path too).

6) I can't promise if or when you will find a partner, relationship, soul mate, or even live the life you desire and deserve. I give you the tools to set yourself up for success, but the rest is purely up to you and divine timing.

7) You'll have lifetime access to this program, at least if I have anything to say about it.

Awesome! When you're ready I'll meet you over in the **Welcome, Love!** section. Oh my goodness, I'm so excited. We're going to have so much fun! See you there!
